DELIVERED BY ELECTRONIC CORRESPONDENCE

Dear Mr

**Re: Freedom of Information Request
Infrastructure Ontario Legal File: FOI-2022-08**

On January 20, 2022, Infrastructure Ontario ("IO") received your request under the *Freedom of Information and Protection of Privacy Act* ("FIPPA") seeking access to the following:

FOI-2022-08 - Eastern Ontario Correctional Complex - Designated Substance Surveys

During a public engagement session concerning the proposed Eastern Ontario Correctional Complex in Kemptville held on 17 November 2021, officials from the Ministry of Solicitor General and Infrastructure Ontario provided details about the timeline for the project. Their presentation included a slide entitled "Due Diligence Activity Timelines" that included "The following site works are required to inform the design of the facility on the property". Tasks noted on the slide included "Planning / Site Servicing / Transportation Reporting" ("field investigations are complete"), "Land Survey / Topographic Plan" ("plans complete"), "Geotechnical / Environmental Drilling" ("fieldwork is complete"), "Designated Substance Surveys" ("fieldwork is complete"), "Archaeological Investigation" ("stage 3 investigation is ongoing"), "Natural Heritage Survey" ("fieldwork is complete"), and "Class Environmental Assessment (EA)" (6 months).

I am requesting all records held by Infrastructure Ontario related to the "Designated Substance Surveys" that have been completed at the proposed site for the Eastern Ontario Correctional Complex in Kemptville/North Grenville from 2020-03-01 to 2022- 01-20.

Specifically, for clarification, I am requesting access to general records (non-personal information). An interim report in electronic format is acceptable providing the final report would be a hard copy.

IO is denying access to the responsive record pursuant to section 17 (Third Party Information) and section 18 (Economic interests of Ontario) of FIPPA. Enclosed, for ease of reference, please find a copy of these exemptions.

In making its access decision, IO reviewed the information contained in the responsive record, the response from affected ministries, the applicable sections of FIPPA and orders of the Information and Privacy Commissioner of Ontario (the "IPC").
